**PLENVU COLONOSCOPY INSTRUCTIONS**

**APPOINTMENT DATE:** \_\_\_\_\_ **APPROXIMATE START TIME:** \_\_\_\_\_

**Location and Check-In:**

The GI lab is located at 259 E. Erie, Suite 1600, Chicago, IL 60611, Lavin Pavilion. Take the elevators to the 16<sup>th</sup> floor. **Check in for your procedure at least 1 hour before your approximate start time.**  
**Expect to stay in the GI lab for at least three hours.**

**Parking:**

Northwestern Memorial's main parking structure is located at the Huron/Saint Clair parking garage, 222 East Huron Street (Parking Garage A). Additional parking is available at 259 East Erie Street, Lavin Pavilion (Parking Garage C) and can be accessed via Ontario Street and 321 East Erie Street (Erie/Ontario Parking Garage D). **Be sure to bring your parking ticket with you to be validated.**

**Colonoscopy:**

Colonoscopy is an examination that enables Dr. Kamel to view the lining of the rectum and colon. A colonoscope is a thin flexible tube with a tiny video camera on the end. Complications with colonoscopy are very uncommon. One possible complication of polyp removal is severe bleeding. A tear in the lining of the colon may occur. Both of these complications may require hospitalization and, possibly, surgery. Please discuss possible complications with Dr. Kamel.

**Preparing for Colonoscopy:**

Inform Dr. Kamel if you have an **ICD (implantable cardioverter defibrillator)** and if you are on any of the following medications: **blood thinners (i.e. Coumadin (warfarin), Plavix, Pradaxa, Xarelto, Eliquis, Savaysa, Bevyxxa, Lixiana), insulin or oral diabetes medications approximately one week prior to your scheduled procedure.** The dosage of these medications will need to be adjusted or discontinued. Your other medications can be continued. On the day of your colonoscopy, take all of your routine medications with sips of water. Tylenol or acetaminophen is perfectly safe to take prior to your colonoscopy.

**Complete the GI Lab Patient Questionnaire and GI Laboratory At-Home Medications List forms** and bring them with you to the GI Lab on the day of your colonoscopy.

**Diet:** Seven days prior to your colonoscopy, stop eating all seeds, nuts and corn.

**Clear Liquid Diet:** *The following diet should be taken for the entire day before--not just 24 hours prior to your exam--and continued up to 2 hours prior to your colonoscopy:* water, coffee/tea (a small amount of cream or milk is allowed), soft drinks, clear fruit juices (such as white cranberry juice, white grape juice, apple and lemonade), Jello® (with no solid fruit in it, popsicles, broth or bouillon. No red or purple.

**DO NOT EAT OR DRINK ANYTHING DURING THE 2 HOURS PRIOR TO YOUR COLONOSCOPY.**

**PLEASE FOLLOW THE PLENVU 2-DAY SPLIT-DOSING INSTRUCTIONS AS FOLLOWS:**

*Perry L. Kamel, M.D.*  
*259 East Erie Street, Suite 1600*  
*Chicago, Illinois 60611*  
*Fax: 312.573.9636*  
*312.573.9626*

## PLENVU 2-DAY SPLIT-DOSING INSTRUCTIONS

Note: actual solution is clear.

For each dose:

Mix contents of dose pouch(es) with at least 16 oz of water and drink slowly within 30 minutes

Refill container with at least 16 oz of clear liquid and drink within 30 minutes

PLENVU can be refrigerated, but must be taken within 6 hours after it is mixed with water

- Patients should consume additional clear liquids of their choice throughout the prep process
- Patients should stop drinking liquids at least 2 hours before colonoscopy

**Once you are finished with the 2<sup>nd</sup> dose of the prep, NOTHING BY MOUTH during the 2 hours prior to the procedure.**

If you cannot tolerate the Plenvu Solution, or if you are not passing clear yellow liquid after completing the Plenvu Solution, call Dr. Kamel's office at 312.573.2457, or his answering service after hours at 312.649.2952, to speak to Dr. Kamel.

**Perry L. Kamel, M.D.**  
**259 East Erie Street, Suite 1600**  
**Chicago, Illinois 60611**  
**Fax: 312.573.9636**  
**312.573.9626**

**During Colonoscopy:**

Dr. Kamel will explain the examination and answer any questions you may have. You will be given pain and sedative medications through an IV to keep you comfortable. The colonoscope will be inserted into your rectum and gently advanced through the colon. The colonoscopy procedure usually lasts 30 minutes and is well tolerated. Any discomfort that takes place usually comes as a bloating feeling when the physician adds air into the colon to expand the folds of the colonic tissue for easier viewing, or a cramping feeling when the colonoscope is advanced around the curves of the large intestine.

**After the Colonoscopy:**

You will be monitored after the procedure in the recovery area for a minimum of 1 hour. Dr. Kamel will discuss your test results with you. Biopsy results take several days to return, and Dr. Kamel will discuss them with you by telephone

**IMPORTANT INFORMATION FROM NORTHWESTERN HOSPITAL**

*Please plan to be in our department for 3 to 3-1/2 hours starting at your arrival time (not procedure time). For your own safety post-sedation, you will need a ride home from a responsible adult. Please make transportation arrangements for a responsible adult to pick you up and accompany you back to your home once discharged. You cannot take a Taxi, Rideshare (Uber, Lyft, etc.) or public transportation by yourself. Your procedure will be canceled if we cannot get in contact with your ride during admitting processes. Please be sure your ride is prepared to answer our phone call. Your ride will receive an additional call 1 hour prior to your estimated discharge time. Please ensure your ride anticipates receiving this call around 2 to 2-1/2 hours after arrival time. Your ride must present to our department to pick you up. Our staff is not able to escort you to the lobby or parking garage to meet your ride.*

If your home is within the set service area, and you do not have an adult to accompany you home, you can arrange a ride home with Illinois Medi Car through Superior Ambulance Company by calling 312.926.5988. (Contact them for pricing.) Payment will be required at the time of service. Hours of Operation are Monday through Friday 7 a.m. to 7 p.m. Arrangements should be made as soon as possible before the day of your procedure to assure that a Medi Car is available on the day of your procedure. At times, Illinois Medi Car will take two patients home at the same time with the same Medi Car, however, this does not happen frequently.

**• Service area:**

- o North – 5600 Bryn Mawr Avenue
- o West – 2400 Western Avenue
- o South – 47th Street

If you have made Illinois Medi Car arrangements for your discharge home, please inform the GI Lab staff on the day of your procedure.

## GI LAB PATIENT QUESTIONNAIRE

Refer to Reminder below before completing this form. Thank you for choosing Northwestern Memorial Hospital for your GI Lab procedure. **Please fill out this form and bring it with you the day of the procedure.** Please answer each question. This allows us to provide you with the best possible care.

**GI LABORATORY  
At-Home Medications List**

Dear Patient,

Please complete the Allergies and Medication sections. A staff member will review this list with you and update if necessary. If you have questions about medications NOT prescribed during today's visit, please contact your primary care physician.

**ALLERGIES:** ☐ None (check the box if you do not have any allergies) Date \_\_\_\_\_

Source	Reaction	Source	Reaction
<i>Example: Penicillin</i>	<i>Hives</i>	3.	
1.		4.	
2.		5.	

**MEDICATIONS:** ☐ None (check the box if you do not take any medications, vitamins, herbals, etc.)

DRUG List the name and strength of the medications you are taking. Include all over-the-counter medicines, vitamins, herbals, minerals, and those you may have held for today's visit.	DOSE FORM How many tablets, units, capsules, are you taking at one time?	FREQUENCY How often do you take the medication? (Once a day, twice a day, etc.)	ROUTE How are you taking this medication? (By mouth, injection, patch, etc.)	LAST DOSE TAKEN Indicate the date and time you last took the medication.
<i>Example: Cardizem CD</i>	<i>1 capsule</i>	<i>Once a day</i>	<i>By mouth</i>	<i>9 pm last night</i>

**INSTRUCTIONS:**

**Staff:** Provide the patient with a photocopy of this document if a long-term medication was added, changed, or discontinued for the at-home regimen during this visit. You may also provide a photocopy if *any* medication addition, change, or discontinuation was made. After completing the patient instructions portion below, instruct the patient regarding changes, provide the photocopy to the patient, check the box below, and file the original in the patient's medical record.

☐ Medication instructions were reviewed with the patient. The patient received a photocopy of this medication list.

**Patient: START/RE-START taking this at-home medication(s):**

**FINANCIAL POLICY**

Your insurance statement consists of two parts--a patient portion and an insurance portion. When an insurance company is responsible for medical services, you are responsible only for the patient portion. However, when an insurance carrier delays, or withholds payment, both the insurance and the patient portion become your responsibility.

In the absence of insurance carrier payment, our office policy is to bill your credit card for payment in full. We will do our best to work with all insurance carriers.

When your account has gone beyond a 90-day limit, it is extremely important that you speak with your insurance carrier concerning payment. If the insurance carrier eventually pays for medical services, we will refund the charges we have made on your credit card.

**PERRY L. KAMEL, M.D., S.C., FINANCIAL POLICY**

**ILLINOIS STATE LAW** requires insurance carriers to pay claims within 30 days of receipt. Insurance carriers who fail to comply with these state standards are subject to additional requirements and penalties. Many, in fact most, insurance carriers have been very slow in reimbursing physicians for medical services and are therefore not in compliance with these regulations.

Perry L. Kamel, M.D., S.C., has instituted a policy addressing unpaid charges which have been submitted to your carrier. If your account is three (3) months or more past due, it may become your responsibility to pay the remaining portion, which will appear on your patient account statement. We will contact you prior to making a charge to your personal credit card for outstanding balances beyond three months.

If your insurance company forwards payment after you have paid your balance, we will gladly credit your account.

We suggest that you monitor your personal account with us very closely and follow the balance as it ages beyond thirty days, at which time you should call your insurance company and request a "claim status report".

Keep in mind the following points when speaking with the insurance claim manager:

- Identify the date of service for the unpaid claim
- Record and retain the date that you called the insurance company
- Record and retain the name of contact with the insurance company
- Identify and correct the problem causing payment delay
- Verify that the insurance company has the appropriate billing information including:
  - Full name of insured
  - Full address of insured
  - Guarantors name of policy
  - Social security number for the guarantor
  - Correct billing address for your policy
  - Insurance policy number

Ask the claims manager when you can reasonably expect a reimbursement and correction of the problem.

Follow up periodically with the same person to ensure activity occurs on your personal account.

**Please complete the credit card information sheet in order to ensure proper continuity of care within our practice. When your insurance carrier is holding or denying payment for medical services rendered, it is best if you call them directly with your concerns and questions.**
